

## March 2022 “Weekend of Wisdom” with Guy Finley

### *Developing the Power of Attention*

**Friday, March 25, 2022**

*Answer this Divine Call and Realize the Next Level of Consciousness*

Key Lesson: Spiritual liberation is not an attainment; real freedom is not an achievement, let alone the by-product of belief. (It is) a grace-granted realization that we are not who we've mistaken ourselves to be: the limited experience of a temporal body that's been given a temporary place in this world of passing time.

*7 Simple Exercises to Help You Awaken and Develop Higher Attention*

Key Lesson: Slowly our wish and inner work to sustain our attention grows into the will to be able to do so.

*Using Higher Awareness to Discover Your Divine Possibilities*

Key Lesson: Attention touches whatever level of being into which it reaches. Sustained attention connects these levels and, if maintained, allows for an exchange of energy between them. Consistent connectivity permits and gradually grows into a form of systemic symmetry, until all levels involved are permanently integrated.
